## *Your Wedding - Re-Imagined*

Weddings and events have been reimagined and reinvented to fit into our new normal.

We've developed turn-key, boutique wedding packages working within regional COVID-19 Compliance Guidelines that allow couples to say "I do" in our beautiful, spacious, modern venue safely and responsibly.

We've made menu changes, created physically distanced room layouts, upgraded our already strict sanitization protocols and more.

Micro wedding packages are intimate and elegant, unique and memorable.

Enjoy every aspect of your wedding day, knowing your guests are in a safe and responsible environment.
